

2025 MONACO GRAND PRIX

23 - 25 May 2025

From	The Stewards	Document	47
To	The Team Manager, Mercedes-AMG PETRONAS F1 Team	Date	25 May 2025
		Time	16:42

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver 63 - George Russell

Competitor Mercedes-AMG PETRONAS F1 Team

Time 16:07

Session Race

Fact Car 63 left the track at Turns 10-11 and gained a lasting advantage.

Infringement Breach of Article 33.3 of the FIA Formula One Sporting Regulations and Article 12.2.1 i) of the International Sporting Code - Non-compliance with Race Director s Event Note (item 22.1, document 42).

Decision Drive through penalty.

Reason The Stewards reviewed positioning/marshalling system data, video, timing, team radio and in-car video evidence.

Car 63 left the track at Turn 10 and overtook Car 23. He did not give that position back and maintained his track position.

It was clear from the radio message where he said that he would take the penalty that the overtake was done deliberately as he felt that he was being held up by Car 23 driving erratically.

Anticipating that situations such as this might happen at this Monaco Grand Prix, all the teams were informed before the race by the Race Director (at the Stewards request) that the stewards would look carefully at a deliberate leaving of the track at Turn 10 to overtake a car or a train of slow cars. That communication also made it clear that the guideline penalty of 10 seconds may be insufficient for this deliberate infringement and that the penalty applied may be a greater penalty than 10 seconds.

We therefore considered that Car 63 s deliberate infringement warranted a drive through penalty and we so imposed.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.

Decisions of the Stewards are taken independently of the FIA and are based solely on the relevant regulations, guidelines and evidence presented.
