### Technical Delegate's Report

The following parts and parameters have been replaced / changed during the Parc Fermé yesterday and today:

#### Renault:

Car 31:       LHS front lower wishbone  
                  LHS front trackrod  
                  LHS front trackrod to PAS ball joint  
                  LHS front upright including top bracket  
                  Fasteners between LHS front upright lower wishbone, trackrod, upright brackets  
                  LHS rear top wishbone  
                  RHS front lower wishbone  
                  RHS floor flank  
                  RHS rear internal drum seal  
                  Parameters associated with the pushrod sensors as part of the RL corner change

#### AlphaTauri Honda:

Car 26:       T-tray cover

Car 10:       LHS and RHS barge board stays  
                  LHS and RHS barge board stays brackets  
                  LHS and RHS barge board stays fixings

#### Williams Mercedes:

Car 63:       LHS rear outboard suspension assembly

All above parts have been replaced with the approval of the FIA technical delegate following a written request from the team concerned, this being in accordance with Article 34.2 of the 2020 Formula One Sporting Regulations.
