Technical Delegate's Report

Today the Aston Martin Red Bull Racing Team submitted the duly completed scrutineering declaration form for car number 33 after a survival cell change.

Last night team personnel of the Rich Energy Haas F1 Team, who are associated with the operation of the car, were within the confines of the circuit during the eight and a half hour period which commenced at 02:30 on 16 March, eleven hours before the scheduled start time of P3 and ends three hours before the scheduled start time of P3 at 11:00 on 16 March.

This was the first of the two individual exceptions permitted for the Rich Energy Haas F1 Team during the 2019 Formula One Championship season and therefore no action should be taken.
