

2024 MEXICO CITY GRAND PRIX

25 - 27 October 2024

From	The FIA Formula One Technical Delegate	Document	2
To	The Stewards	Date	23 October 2024
		Time	12:30

Technical Delegate's Report

After the race in Austin, car number 63 was randomly chosen among the top ten cars for more extensive physical inspections.

Subject to these physical inspections was the ICE water system including the heat exchangers, the standard pressure and temperature sensors, their loom routing and connections to the SECU and other units.

All inspected components were found to be in conformance with the 2024 Formula One Technical Regulations.

Jo Bauer
