The Stewards, having received a report from the Race Director, summoned (document 32) and heard from the team representative, have considered the following matter and determine the following:

**No / Driver** 4 - Lando Norris

**Competitor** McLaren F1 Team

**Time** 13:30

**Session** Race

**Fact** Car 4 was allegedly released from a pit stop in an unsafe condition.

**Offence** Alleged Breach of Article 28.13 c) of the FIA Formula One Sporting Regulations.

**Decision** No further action.

**Reason** The Stewards reviewed video and audio evidence of the pit stop of car 4, heard from the team representative and the FIA Technical Delegate.

The team representative stated that the front left mechanic was not sure if the tyre was secured properly therefore they decided to stop the car for caution.

After reviewing video evidences, the FIA technical delegate could not establish if the car was in an unsafe condition after being released from the pit stop.

The Stewards considered that with the available evidence it is not possible to determine if the car was released in an unsafe condition.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
