Technical Delegate's Report

After the race in Monaco, car number 04 was randomly chosen among the top ten cars for more extensive physical inspections.

Subject to these physical inspections was the low pressure fuel system, its conformance with TR Articles 5.11 and 6 and the team's submission according to TD001H 3.1.

Furthermore compliance checks on the low pressure fuel system were carried out in the FIA Technical Centre in Valleiry

All inspected components were found to be in conformance with the 2024 Formula One Technical Regulations.
