To	The Stewards	Date	14 July 2021
		Time	18:50

Technical Delegate's Report

After the race of the Austrian GP, car number 10 was randomly chosen among the top ten cars for more extensive physical inspections.

Subject to these physical inspections was the front wing/nose assembly as well as all attached sensors, their loom routing and connections to the SECU and other units.

All inspected components were found to be in compliance with the 2021 Formula One Technical Regulations.

Jo Bauer
