The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

**No / Driver** 81 - Oscar Piastri

**Competitor** McLaren Formula 1 Team

**Time** 18:22

**Session** Reconnaissance Laps

**Fact** Car 81 appeared to be driven erratically into the pit lane after a reconnaissance lap.

**Infringement** Breach of Appendix L, Chapter IV, Article 2 e) of the International Sporting Code.

**Decision** Warning.

**Reason** The Stewards heard from the driver of Car 81 (Oscar Piastri), team representative and reviewed positioning/marshalling system data, telemetry, video and in-car video evidence.

The driver explained the two cars in front of him were travelling very slowly and he wished to overtake them. The team provided telemetry evidence that Car 81 was not travelling at excessive speed and that the driver was in control at all times. Although the manoeuvre appeared erratic on the video, we did not determine that it was dangerous. However such erratic manoeuvres should be avoided, hence the penalty of a formal warning is applied

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.

Decisions of the Stewards are taken independently of the FIA and are based solely on the relevant regulations, guidelines and evidence presented.
