Technical Delegate's Report

Last night team personnel of the Mercedes-AMG Petronas Formula One Team, who are associated with the operation of the car, were within the confines of the circuit during the ten and a half hours period which commenced at 22:30 on 28 October, thirteen and a half hours before the scheduled start time of P3 and ends three hours before the scheduled start time of P3 at 09:00 on 29 October.

This was the second of the two individual exceptions permitted for the Mercedes-AMG Petronas Formula One Team during the 2022 Formula One Championship season and therefore no action should be taken.
