No / Driver 22 - Yuki Tsunoda

Competitor Visa Cash App RB F1 Team

Time 13:13

Session Race

Fact The driver left the grid after the Aborted Start signal had been given.

Infringement Alleged breach of Article 47.1 of the FIA Formula One Sporting Regulations.

Decision No further action.

Reason The Stewards heard from the team representative and reviewed video evidence. The FIA Formula One Race Director initiated the Aborted Start procedure indicating that the drivers should not leave the grid. This message was necessary as there was a car off track in Turn 4 (STR) that needed to be recovered. Although the signal was appropriately given the light panel illuminated as prescribed, and the teams notified by the messaging system, the driver immediately ahead of TSU left the grid and proceeded on a lap. In reaction to this TSU also left the grid in breach of the regulations.

At some point the Race Director realizing that for practical reasons all cars would now need to do an extra formation lap gave an instruction to the teams for all cars to proceed and return to the grid to follow the correct aborted start procedure.

In the opinion of the Stewards although the driver breached the regulation this was influenced by the driver ahead of him and as such he was not predominately responsible for the breach. As such the stewards decide to take no further action having held the driver immediately ahead of him at fault.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.

Decisions of the Stewards are taken independently of the FIA and are based solely on the relevant regulations, guidelines and evidence presented.
