From	The Stewards	Document	57
To	The Team Manager, Williams Racing	Date	18 June 2022
		Time	20:55

The Stewards, having received a report from the Race Director, summoned (document 48, 49 & 50) and heard from the drivers and team representatives, have considered the following matter, and determine the following:

No / Driver 23 - Alexander Albon

Competitor Williams Racing

Time 16:03

Session Qualifying

Fact Driving unnecessarily slowly.

Offence Alleged breach of Article 33.4 of the FIA Formula One Sporting Regulations.

Decision No further action.

Reason The Stewards heard from the driver of car 55 (Carlos Sainz), the driver of car 23 (Alexander Albon), the driver of car 16 (Charles Leclerc) and team representatives and reviewed video evidence.

At the start of Qualifying 1 car 23 slowed on the approach to turn 13 to create a gap to start a fast lap. The driver says that he had to slow significantly behind other cars, who were also doing the same, in order to create a safe gap due to the very poor visibility caused by the weather conditions. Further, he says that it would have been unsafe to try to overtake the other cars in front as they would not have been expecting such a manoeuvre at this point. The Stewards consider this to have created a potentially dangerous situation but, given that many drivers ended up queueing at this part of the circuit, they determine that too many drivers contributed to the situation and therefore the driver concerned is not fully to blame.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
