In accordance with the regulations, the Stewards received a notification from Williams Racing that they are withdrawing Car 2, Driver Logan Sargeant, from the 2024 Australian Grand Prix.

The team submitted a new self-scrutineering form for Car 23 to the Technical Delegate, following a change of survival cell under Article 27 of the FIA Formula One Sporting Regulations. (See D 21, Technical Delegate's Report.)

The team declared that following the crash of Car 23 in FP1, they have used the survival cell previously registered for Car 2 and other components already registered to Car 23 and driver Alex Albon, to rebuild the car.

This is all in accordance with the regulations.
