To	The Stewards	Date	15 March 2023
		Time	17:28

Technical Delegate's Report

After the race of the Bahrain GP, car number 63 was randomly chosen among the top ten cars for more extensive physical inspections.

Subject to these physical inspections were driver's clutch paddles and accelerator pedal as well as all attached sensors, their loom routing and connections to the SECU and other units.

All inspected components were found to be in conformance with the 2023 Formula One Technical Regulations.

Jo Bauer
