Technical Delegate's Report

Last night team personnel of the Alfa Romeo Racing team, who are associated with the operation of the car, were within the confines of the circuit during the eight hour period which commenced at 05:30 on 20 September, eleven hours before the scheduled start time of P1 and ends three hours before the scheduled start time of P1 at 13:30 on 20 September.

This was the first of the two individual exceptions permitted for the Alfa Romeo Racing team during the 2019 Formula One Championship season and therefore no action should be taken.
