		Time	17:33

Technical Delegate's Report

At the end of the P2, at 16:32hrs, car number 11, driver Sergio Perez, did not stop for weighing when asked to do so by the traffic lights showing the red light and his car number. Further the team did not make any attempts to immediately bring back the car, but carried out a pit-stop practice instead.

I am referring this matter to the stewards for their consideration.

Jo Bauer

The FIA Formula One Technical Delegate
