

2021 SAUDI ARABIAN GRAND PRIX

2 - 5 December 2021

From	The FIA Formula One Technical Delegate	Document	2
To	The Stewards	Date	01 December 2021
		Time	12:30

Technical Delegate's Report

After the race of the 2021 Qatar Grand Prix car number 33 was randomly chosen among the top ten cars for more extensive physical inspections.

Subject to these physical inspections were all rear inboard suspension components as well as all attached sensors, their loom routing and connections to the SECU and other units.

All inspected components were found to be in compliance with the 2021 Formula One Technical Regulations.
