Technical Delegate's Report

The following part has been replaced during the Parc Fermé yesterday and today by the ROKiT Williams Racing team for a part having a different specification:

Car 63: Front wing assembly

The part has been replaced with the approval of the FIA technical delegate following a written request from the team concerned, this being in accordance with Article 34.2 of the 2019 Formula One Sporting Regulations.

But as the above part is different from the one originally used, car number 63 should now be required to start from the pit lane according to Article 34.6 of the 2019 Formula One Sporting Regulations. I am referring this matter to the stewards for their consideration.
